FIRST PRES MAUMEE SUNDAY MORNING FLOWERS

We will be restarting the opportunity to provide floral arrangements for Sunday morning worship beginning September 5, 2021.

As we bring back the arrangements, here is the process we will be following:

- Floral arrangements will be \$35. Payments are to be made to the church prior to your Sunday flower dedication. (Send check to First Pres Maumee or pay online through our “**give**” button on our website. If you pay online, please mark it as “**purchases**”.)
- The floral arrangement will be placed near the pulpit.
- David Swesey Florist will provide a standard floral arrangement that will complement the colors and other Sanctuary enhancements.
- Floral dedication information will be on the slides at the end of the service and a framed card that is located in the Narthex.
- Those donating the flowers will have the option of taking home the flowers on Sunday after the Traditional Service, or having the flowers delivered to a homebound member.
- If more than one person requests a date, there will be the option of a second arrangement in the Narthex or Gathering Space. The person will be notified and asked if they’d still like to donate or select another date.

If you would like to participate this year, please fill out the enclosed form and return it to the church. You also have the option to fill out our online version that can be found on our website: firstpresmaumee.org, click on “Resources” in the menu, and go to “Sunday Morning Flowers”.
